Welcome to Sarasota Opera’s 2022-23 Season.

The 2022 Fall Season will feature Cimarosa’s *The Secret Marriage* and the Sarasota Youth Opera production of Dean Burry’s *The Secret World of Og*. Opening the 2023 Winter Opera Festival will be Puccini’s *Madama Butterfly*, followed by Mozart’s *Don Giovanni*, Verdi’s *Ernani*, and Massenet’s *Thérèse*.

This year we are introducing new subscription options! Subscribe to all five operas or enjoy one of our new subscription packages. All series are available for a fixed night or “Build Your Own.”

Classics Series (*Madama Butterfly, Don Giovanni, Ernani*) This series contains the great operas by the great composers. These works are part of the standard operatic repertoire. This series is perfect for beginning opera lovers who wish to explore the masterworks. If you are attending our Winter Opera Festival and also wish to see *Thérèse*, it can be added at the same subscription discounted price.

Explorations Series (*The Secret Marriage, Thérèse*) These important, but lesser-known works allow our audience to explore some of the rarely heard operas to deepen their exploration of the operatic repertoire.

The productions in both series will be at the same world-class standard you have come to expect from Sarasota Opera, with the same great singers, orchestra, and production values.

NOTE THESE IMPORTANT DATES

Friday, May 27, 2022 - Subscribers on or before this date receive the full 15% discount. After this date, the subscription discount will be 10% except those who purchase all 5 operas (which will always be a 15% discount). All Build-You-Own subscriptions are discounted 10%.

Classics Series – 3 operas: *Madama Butterfly*, *Don Giovanni* & *Ernani*

Explorations Series – 2 operas: *The Secret Marriage* & *Thérèse*

All series are available for a fixed night or “Build Your Own”

Why the change in subscription series options?

By splitting our opera season into two different “series” it enables us to schedule performances based on demand, which will allow us to present more varied and interesting repertoire.

What are the new series?

Classics Series – This series contains the great operas by the great composers. These works are part of the standard operatic repertoire. This series is perfect for beginning opera lovers who wish to explore the masterworks.

Explorations Series – These important, but lesser-known works allow our audience to explore some of the rarely heard operas to deepen their exploration of the operatic repertoire.

The productions in both series will be at the same world-class standard that you have come to expect from Sarasota Opera, with the same great singers, orchestra, and production values.

Sarasota Opera 2022-23 Season Calendar

If I'm a current subscriber, will I still have my seats for all operas?

In general, yes! There isn't a Wednesday night performance in the Explorations Series, so we may have to adjust some seats slightly for those operas for our Wednesday night subscribers, but almost all our subscribers will have their same seats.

I can only come in the Winter. How can I see all four operas in the Winter Opera Festival?

By subscribing to the **Classics Opera Series** and adding *Thérèse* you will receive the usual subscription discount for all tickets. If you are a current Winter subscriber, you should also have your same seats (with some small adjustments possible for our Wednesday night subscribers).

Does Sarasota Opera still have the Opera Lovers Weeks?

Yes! March 15 through March 26 an opera lover can see all four operas in the **Winter Opera Festival** over 3 or 4 days! There are many wonderful hotel options within walking distance of Sarasota Opera or elsewhere in our beautiful community that we can recommend. There are also great restaurants of all kinds.
