

Sarasota Opera Measurement Form Instructions

We need to receive a measurement form from every company member. Please read the following **REQUIRED** and detailed measurement form instructions to help you fill out your measurement form. We recommend that someone else help you in taking measurements. Ideally it should be someone who works in a costume shop. However, a local or tuxedo rental house will be qualified as well.

Please choose the correct measurement form to fill out and return to costumes@sarasotaopera.org. Measurement sheets from other companies are not applicable. If you are returning to the company, use the form labeled "Update. If you are new to the company, or have substantial measurement changes from the last time you were with us, use the document labeled "Complete."

PLEASE NOTE: This season we would like for you to bring your own socks, skirts, and jackets for rehearsals. We will not be providing laundry services for rehearsals. Male artists: We ask that you grow out your hair and facial hair for this season.

If you have any questions or problems, email costumes@sarasotaopera.org.

- Do not guess sizes
- Use a measuring tape
- Do not measure too tightly or add extra room for comfort, we will do this.
- If you plan on losing or gaining weight, please measure as you are now and update us as necessary.
- Have yourself measured over fitted clothing
